NAU MAI and Welcome to APODC

APODC is: a not-for-profit, inclusive organisation, made up of parents and carers with a deaf or hearing impaired child (0-18yrs). All needs, communication methods, and cultural backgrounds are welcome here!

What we do: APODC runs a wide range of fun social, and information sharing events, that bring families together. Developing networks of peer support and friendship, help us celebrate our achievements and who we are, whilst meeting the challenges along the way.

Our goal: APODC children reaching their full potential.
